

CONNECTICUT NATURAL GAS CORPORATION

RATE SE (SEASONAL GAS SERVICE)

1. Availability:

For service to any customer for off-peak seasonal gas usage. Service under this rate will only be provided for equipment which is primarily operated during the May through September seasonal period. This rate is closed to new customers on or after January 1, 2019.

Gas delivered hereunder will be separately metered and shall not be used interchangeably with gas supplied under any other rate schedule.

FOR MAY TO SEPTEMBER BILLING PERIODS:

2. Rate Per Month:

Customer charge Residential: \$ 31.20

Customer charge Commercial/Industrial: \$ 80.00

3. Rate per Ccf:

Seasonal rate filed annually by April 1, for approval by the Public Utilities Regulatory Authority (the "Authority"). The rate so established shall be for the May through September seasonal period.

4. Minimum Rate:

Unless authorized by the Authority as in the public interest, the average price of gas sold, excluding the service charge, by the Company to any customer under this rate schedule shall not be less than the current cost of gas per Ccf as estimated by the Company plus \$.005/Ccf divided by 0.95, or other factor reflecting the currently applicable taxes.

5. Maximum Rate:

The average price of gas sold, excluding the service charge, by the Company to any customer under this rate schedule shall not exceed for the billing period the rate per Ccf of the customer's applicable firm rate.

CONNECTICUT NATURAL GAS CORPORATION

RATE SE (SEASONAL GAS SERVICE)

CONNECTICUT NATURAL GAS CORPORATION

RATE SE (SEASONAL GAS SERVICE)

Sales Services Charge: \$0.0700 per Ccf

8. Minimum Monthly Charge:

The applicable Customer Charge.

9. Payment:

Bills will be rendered monthly and are due and payable upon presentation.

10. Delayed Payment Charge:

Billings not fully paid within twenty-eight days of the billing date shall be subject to interest charges on the unpaid balance at the rate of 1.25% per month.

11. Term of Service:

For an initial period of not less than one year and thereafter until terminated by either party on thirty (30) days written notice.

New customers that qualify for a Company tariff that includes a third-party gas supplier option but have commenced service under this Rate SE have three (3) months from their initial gas flow to elect to switch to a third-party gas supplier. However, these new customers may not switch during the winter months of November through March.

12. Service Regulations:

The Company's Service Rules and Regulations shall apply to service under this Rate SE, to the extent not inconsistent with the terms and conditions of this Rate SE. Bills less than 28 days or more than 34 days will be prorated.
